Important Questions	Answers	Why This Matters:
What is the overall deductible ?	PPO: \$500 Individual / \$1,000 Family Non-PPO: \$1,000 Individual / \$2,000 Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible ?	Yes. Preventive care, physician office visits, emergency room, ambulance, acupuncture, hearing exam, and medication management are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	PPO: \$2,500 Individual / \$5,000 Family Prescription \$1,000 Individual/ \$2,000 Family Non-PPO: \$5,000 Individual / \$10,000 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a participating provider ?	Yes. See www.tcsig.com or call Delta Health Systems at 1-800-464-7627 for a list of PPO Providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use a Non-PPO provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your PPO Provider might use a Non-PPO provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
