

See a doctor anytime, anywhere with LiveHealth Online

When you need care but can't get to the doctor's office, virtual care through LiveHealth Online makes things simpler. It's a convenient way to find the help you need, day or night.

Why LiveHealth Online?

Talk to a board-certified doctor anytime 24/7

Get expert help with nonemergency medical issues

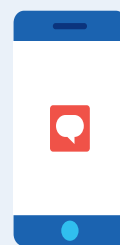

Have a visit from anywhere with an internet connection

Feel better faster

Doctors at LiveHealth Online can help with many common conditions, including:

- Cold, flu, and fever
- Cough, sore throat, or strep throat
- Minor rashes
- Eye, ear, or urinary tract infections
- Sinus infections or allergies

Cost of a visit

You'll pay a \$55 copay for each LiveHealth Online visit.
